The Nunavut Water Board acknowledges receipt on June 26, 2014 of an application to cancel the above water licence. In order to move forward with this request please provide a copy of the 2011 annual report or NRI summary report for our records.

Also required is the \$30.00 admin fee, which I understand is in the mail.

You will be notified of any other technical deficiencies once Karen has completed his preliminary technical review.
