Good day Patricia - please forward your annual report for 2011 which is a requirement of your Type "B" licence. This is the only item missing to consider your application for cancellation. Then once a final inspection has been completed we can close this file and you may continue on with the approvals without a licence, one of which you had issued for 2014. (8WLC-HAP1415)

Your response would be appreciated. Note this is our fourth request for this information. If no work was carried out in 2011 please advise.

Regards,

Phyllis Beaulieu- Δαφνίη Σαββή
