RE: Submission of 2010 Annual Report under Type “B” Licence No. 3BC HEL1015

Dear Dr. Young:

The Nunavut Water Board (“NWB”) received on November 22, 2010 the 2010 Annual Report for the above-referenced Licence. On November 24, 2010 the NWB acknowledged receipt and distributed the Report to interested parties and persons for information purposes only. No comments have been received to date.

A review of the Annual Report has determined that information listed below should be submitted in the form of an addendum before March 31, 2011:

1. GPS co-ordinates (in degrees, minutes and seconds of latitude and longitude) of all locations where sources of water were utilized - Part J, Item 2 of the Licence terms and conditions; and
2. GPS co-ordinates (in degrees, minutes and seconds of latitude and longitude) of all locations where wastes associated with camp operations were deposited - Part J, Item 3 of the Licence terms and conditions.

Should you have any questions, please feel free to contact the undersigned at 867-360-6338 ext. 25 or by email at sjoseph@nunavutwaterboard.org.

Yours truly,
