Hello Ms. Beaulieu,

I'm sending this email on behalf of Dr. Kathy Young in regards to the water licence for Polar Bear Pass, Bathurst Island (File No. 3BC-HEL1015/TR/B2).

Water was collected from the Good Sir River at approximately 75,43',35" latitude and 98,24'01" longitude (14X 516500E and 8404750N NAD 27).

Grey water was disposed of 20 metres from the cabin located at Polar Bear Pass at approximately 75,43',44" latitude and 98,25'33" longitude (14X 515800E 8405000N NAD 27).

Please let me know if a formal letter is required and if so, I will mail one to your office.

Thank you kindly,
Elizabeth Miller
MSc Candidate, York University
