Subject: Requirement for Inuinaqtun Project Summary
Importance: High

Good morning, Peter. I am sending this email to you as the contact person while Ken is out of the office till July 19th. Please be advised that our file NWB2HLC0406 Amendment has not gone out for review due to the fact that we have not received an Inuinaqtun translation of the project summary. This file has been pending since May 6th
