Subject: Application Requirements

Dear Mr. Tapatai:

The Nunavut Water Board ("NWB") acknowledges receipt of your application for the Turaavik Youth Offender Camp. The NWB has had the application since December 15, 2005. We have yet to receive all the documents before the application can be sent out for review and comment. We are still awaiting the following before the document can be sent out for review:

- map of camp area
- English & Inuktitut Project Summary
- Administration fee \$30.00 cheque payable to Receiver General For Canada
- Water Use Fee \$30.00 cheque payable to Receiver General For Canada

A water licence will be required if you wish to operate the camp. The NWB will consider the file closed if no reply is received within two weeks.

Regards,
