Dear Mr. Smol and Ms. Douglas:

The Nunavut Water Board ("NWB") acknowledges receipt on April 14, 2011 of your new water license application for the above project. Your application has been given the file number 3BC-LPL----. Please quote this number on future submissions.

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

1. Camp location coordinates in degrees, minutes and seconds

We will resume processing your application once the additional information has been received.
