Re: Application Acknowledgement for the Northern Watch Technology Project

Dear Mr. McCoy:

The Nunavut Water Board acknowledges receipt on April 27, 2008 of your new water license application, for the Northern Water Technology Project.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste on water. Specifically, we are asking you to provide the following;

- Abandonment & Restoration Plan
- Inuktitut and English summary of the project

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at [licensingadmin@nunavutwaterboard.org](mailto:licensingadmin@nunavutwaterboard.org) if you have any questions.

Sincerely,

Richard Dwyer  
Licensing Administrator
