Dear Richard,

I wish to make an amendment to the CASP, University of Cambridge water license (3BC-PRO 0914 Type "B"). The purpose and objectives of CASP's studies on Ellesmere Island have not changed since our original application (see attached documents), but it has become necessary to change campsite locations. We have applied for Polar Continental Shelf Support (Application No. 1000000031) for this expedition and have a current Nunavut Research Institute research license (No. 02 047 10R-M) which covers all of Ellesmere Island.

License number: 3BC-PRO 0914 Type "B"

Date issued: 17th June, 2009

Expiry date: 1st November, 2014

Reason for amendment: Change in camp location on Ellesmere Island

Area covered by original application: Fosheim Peninsula

Original Camp A. Canon Fiord Camp (Latitude 79.833°N, Longitude 82.50°W)

Original Camp B. Notch Lake Camp (Latitude 79.50°N, Longitude 83.167°W)

Area covered by this requested amendment: Raanes Peninsula, Ellesmere Island

Camp A. Blind Fiord, Raanes Peninsula (Latitude 78.25° N, Longitude 85.50° W)

Camp B. Troid Fiord, Raanes Peninsula (Latitude 78.70° N, Longitude 84.45° W)

The areas we wish to study fall outside the areas of Inuit Owned Land on the Raanes Peninsula.

Please do not hesitate to contact me if I need to supply you with further information or documentation.

Kind regards,

Helen Smyth
