On January 21, 2015 the Nunavut Water Board received an request for assessment from AANDC for the 3BC-PRO0914 expired licence. In order to cancel the water licence you would need to fill out the attached cancellation application form and provide any outstanding documents required under the terms and conditions of the licence. I've reviewed the file and the following should be provided to the board along with the cancellation application:

- 2011, 2012, and 2014 Annual Reports
- 2013 and 2014 Water Use fees
- \$30.00 Cancellation Administration Fee

Please contact the office should you require further assistance.

Regards,
Robin
