Re: Acknowledgement and Receipt of Application Fee and Water Use Fee for New Water License Application – Provenance of Clastic Sediments in the Sverdrup Basin, Canadian Arctic Islands Project

Dear Dr. Scott:

The Nunavut Water Board acknowledges receipt on March 19, 2009 of your Visa information for an application fee and water use fee for the above project. Your information for payment has been forwarded to DIAND in Iqaluit for processing. A receipt will be issued through their office for fees totaling \$60.00 (\$30.00 for administration and \$30.00 for water use fee).

Please refer to the calculation for water use fees, in the Northwest Territories Waters Regulations, Section 9, to ensure that the correct fee has been submitted. A copy of this regulation is available from our ftp site or by contacting this office. This is an annual fee which is required to be submitted yearly on the anniversary of the issuance of your water license.

Please call the undersigned at (867) 360-6338 or e-mail licensing@nunavutwaterboard.org if you have any questions.

Sincerely,
