The Field Operations Unit of Aboriginal Affairs and Northern Development Canada is currently engaged in conducting our annual Risk Prioritization Exercise in preparation for the 2015 field season.

It has come to our attention that the above noted Water license for work conducted between 2009 and 2014 has expired. A review of the file submissions is unable to produce either an application for renewal or an application for cancellation of the expired License. It is AANDC's understanding that the above noted license was replaced by the Nunavut Water Board with an annual Authority without a License (8WLC PRO1415) however the final disposition of the expired license must still be addressed.

In addition to the enclosed assessment form to be completed and returned to our offices by March 31st 2015, I have also included a copy of your Water License . I appreciate your cooperation as we move ahead with this file.

If you have any questions or concerns please do not hesitate to contact myself or the Manager of Licensing at the Nunavut Water Board, Phyllis Beaulieu Manager of Licensing Nunavut Water Board.

Thank you in advance for your continued cooperation,

Respectfully,
