Hi,

I am the Tech Advisor assigned to this file, please could you

1. Provide the NWB with the Inspection Report received on October 10, 2012
2. Clarify what kind of waste is deposited on the place identified by the coordinates 63° 59' 14" N, 81° 41' 43.9" W as declared by the 2012 as well as the 2013 Annual Report?

The cancellation process will proceed as soon as we receive the information

Regards  
Sonia Aredes
