Good Morning Jeannie & Phyllis,

Proponent McCurdy has informed the NRI that due to no contractors willing to bid on the sample collection, field dates will now have to be postponed until mid 2012. The NRI has informed the proponent to re-apply for a scientific research license early next year. I apologize for the late notice (I was away from the office).

Regards,

Mosha Cote

Dear Mosha Cote,

Please note that the Nunavut Impact Review Board (NIRB) has completed screening Geological Survey of Canada - Martin McCurdy's "Stream Sediment Sample Survey, Ellice-Back River" project proposal (NIRB: 11YN045, NWB: File No. 3BC-SSS---). The Notice of Indication and Screening Decision Report for this file are attached for your review.

Best regards.

Jeannie Evalik
