AND

Dear Siu-Ling Han and Jeff Holwell:

The Nunavut Impact Review Board (NIRB or Board) has completed a review of Mark Mallory's amendment request with Canadian Wildlife Service (CWS) for his "Breeding Ecology of the Marine Birds at Cape Vera" project. The NIRB has also reviewed a land application from Indian and Northern Affairs Canada for the land use activities related to this project.

Please be advised that the NIRB did not receive any comments regarding the proposed amendment and land application. Therefore, the NIRB is reissuing the recommended Terms and Conditions contained in the May 15, 2006 Screening Decision Report (attached).

If you have any questions or concerns, feel free to contact the NIRB's Technical Advisor, Ryan Barry at (867) 983-4608 or via email rbarry@nirb.ca.
