Subject: Request for Postponement of Licence Issuance

Dear Mr. Nissim:

The Nunavut Water Board acknowledges receipt on May 18, 2012 of your request to postpone the issue of a water licence to Windfall Films until 2013. It is not necessary for you to submit anything further at this time, however, our office recommends sending in the additional information at least three (3) months prior to the start of activities.

The cheque for \$30.00 for administering the file will be forwarded to Aboriginal Affairs in Iqaluit for processing. When Windfall Films is ready to go forward with the application there will be a requirement to submit a water use fee which will be based on the amount of water requested and authorized. There will be no further requirement for the administration fee.

Sincerely,

Original signed by:

Phyllis Beaulieu
Manager of Licensing
