Dear B. Harding:

**Refer: Water Licence NWB3ARC0207 Expiry**

A review of our records indicates that the water licence issued by the Nunavut Water Board (NWB3ARC0207) for use of water and deposition of waste into water by the Hamlet of Arctic Bay is going to expire on October 31, 2007. You are reminded that in order to continue your use of water by the Hamlet, an application to renew or amend the water licence should be sent to the Nunavut Water Board well before the licence expiry date. I suggest that the Hamlet contacts the Nunavut Water Board soon for information on applying for a licence renewal.

I have attached a copy of your licence for your information. If you need assistance, please contact the Water Resources Division at Indian and Northern Affairs Canada.

Sincerely,

Andrea Cull
