

WATER BOARD UPDATE

FOR

January 18, 1995

Arctic Bay
Water Licence: Unlicensed

SUBMITTED BY: Brian Collins, Municipal Coordinator

TOPIC: Arctic Bay - Water Supply Modifications

BACKGROUND: Since the early 1980's the community of Arctic Bay has been drawing water from Marcil Lake using a pump truck. In July, 1994 MACA retained M.M. Dillon Ltd. to develop a truckfill station on Marcil Lake.

STATUS: A draft report titled *Planning Study - Truckfill Station Arctic Bay, N.W.T.* was received on November 22, 1994. The draft was submitted to the TAC for review and comment on December 2, 1994.

The TAC review was completed on January 6, 1995. Comments were received from Environment Canada, Water Resources, and the Nunavut District. There were no major concerns noted.

RECOMMENDATIONS: Advise consultant of the results of the review. Draft letter attached.
