Re: Water Licence for Arctic Bay

Dear Mr. Marshall:

Currently, the Hamlet of Arctic Bay is still an unlicensed community. Recently, I have been requested to send a water licence application to the Hamlet.

Please find attached a water licence application form and supplementary questionnaire. Both of these are also available in electronic format by contacting rbecker@polarnet.ca. In addition to the form and questionnaire, an application fee of \$30.00 payable to the Receiver General for Canada, and an executive summary in both English and Inuktitut are required to initiate the application process.

For information purpose, I am attaching the procedures on water licence applications.

We look forward to receiving the Hamlet of Arctic Bay's water licence application. Should you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

Rita Becker
Licensing Administrator
