Good afternoon Bhabesh,

yes, Sean is back in the office as of Tuesday last week, and although he has many files to catch up on, he has been putting in some time on the ARC file, licence. My understanding is that a draft will be ready for review shortly. There are many factors playing into the timing of a renewal, if the Board should approve, including the fact that our chair is currently unavailable. We will endeavor to work with the process and our resources available, and look to having a decision as soon as possible.

Regards,
David Hohnstein

Any reason waiting for approval of this file!

I hope Sean is back to work.

Can we get this one approved by Friday August 22?

Thanks

Bhabesh
