Good morning Robin,

Note our server is down therefore unable to scan material. The noted NWB file below 3BM ARC was previously reviewed for conformity (CR) by the NPC, therefore will not require another CR. I will ensure to provide with the formal notice and a copy of the terms proponent agreed to dated February 25, 2018. Those terms are still active and must become part of any authorization issued.

Any questions concerns, please do not hesitate.
