I have read your letter and we're looking forward to your arrival, however I'm planning to be on annual leave during the month of August but I will assure you that my Foreman Sam Willie will be there to meet you and inspect with you and review the license with you.

Please find attached a letter outlining the planned dates for the Municipal Water License Inspection for Arctic Bay.

Currently I am scheduled to arrive at 08:35 on the morning of August 26th and plan to conduct the Inspection the same day.

If we could arrange a pick up at the airport and a short meeting to review the licensing requirements and plan the Inspection that would be great.

I look forward to hearing back from you at your earliest convenience.
