Subject: Licence No. 3BM-ARC1419 – Submission of 2015 Annual Report for the Hamlet of Arctic Bay Municipal Undertaking

Dear Mr. Roy:

The Nunavut Water Board (NWB or Board) has completed its review of the 2015 Annual Report (Report) submitted by the Government of Nunavut Community and Government Services (GN-CGS) on behalf of the Hamlet of Arctic Bay, on April 14, 2016, to fulfill the relevant requirements in Licence No. 3BM-ARC1419 (Licence), issued to the Hamlet of Arctic Bay for a Municipal undertaking within the Qikiqtani Region, Nunavut. The review determined that the Report is generally consistent with the reporting requirements under Part B, Item 1 of the Licence.

The NWB recommends, however, that future reports be accompanied by a cover letter and results for a more extensive monitoring program as required under Part H of the Licence. Additionally, the Licensee is advised that the Operation and Maintenance Manual for the Water Supply Facility and the Solid Waste Management Facility, and the QA/QC Plan, required under Part F, Item 2, Part F, Item 3 and Part H, Item 10 of the Licence, respectively, appear to be outstanding.

Copies of the above-referenced Report, as well all other information submitted in support of the file can be accessed through the NWB's Public Registry and File Transfer Protocol (FTP) site using the following link:
