Subject: Commissioning notice for the new Sewage Lagoon of the Hamlet of Arctic Bay

Dear Ms. Beaulieu:

I am writing to confirm that the construction of the new sewage lagoon has been completed. Hamlet needs to commission this lagoon right way in order to start decommissioning works of the existing sewage lagoon. The contractor is already on the site.

Hamlet is requesting for approval to proceed commissioning the new Sewage Lagoon facility.

Hamlet already sent a notification to INAC inspector for decanting the old lagoon. The letter is attached.

Operation and Maintenance manual of the new sewage lagoon has been finalized. A CD and a hard copy final O&M document are on the way to NWB.

If you have questions or concerns, please contact me at any time. I will appreciate it if you keep me in the loop during the approval process.

Sincerely,

Bhabesh Roy, M.A.Sc., P.Eng.
