The Department of Community Government and Transportation and the Hamlet of Arviat have begun to review the Arviat Community Plan and Zoning By-law. We are writing to find out if you could provide information that would be pertinent to the review.

In order to create a comprehensive plan and to avoid any confusion, we would like to involve you at the start of the planning program. To assist us in this regard, we would request information such as future plans (five year capital plans), community concerns, or important community information. We would prefer that you fax or email the information to me at the addresses below.

Thank you for your cooperation. We would appreciate your assistance and eagerly await your response. If you have any questions please contact me at 867-645-8115 or Rchapple@gov.nu.ca.

Robert Chapple
Community Planner
Community Government and Transportation
