Re: Application for Renewal of Municipal Water Licence 3BMK- BAK 9904

On behalf of the Hamlet of Baker Lake please find attached an application for the renewal of Municipal Water Licence 3BMK- BAK 9904. The following application documents and supporting information is included:

- Application and fees
- Application Summary in English and Inuktitut
- NWB Municipal Questionnaire;
- Report of the Environmental Study and Evaluation of the Water and Sewage System, 2007
- Sewage and Solid Waste O&M Manual
- Figure 1- Site Plan
- Figure 2 – Conceptual Design Layout

One hard copy of these documents is provided in addition to digital copies on the enclosed compact disk.

Nunami Jacques Whitford Limited has been retained by the Department of Community and Government Services, Government of Nunavut to prepare a design for the physical improvements to the sewage treatment facility and assist the Hamlet with the licence renewal process. The fence indicated on the figures has been design with construction expected to be complete within the month. Design of other improvements is currently in the preliminary phase with construction planned for summer 2009.

I trust we have provided the Board with sufficient information to process the licence application. Should you have any questions or please do not hesitate to contact me. Please address any correspondence related to this application to the undersigned.

Yours Truly

NUNAMI JACQUES WHITFORD LIMITED
