Dear Ms. Martha Aupaluktuq,

The Nunavut Water Board will be holding a public meeting on Thursday, August 21, 1997 at 8:00 PM in the Community Hall in Baker Lake. The Nunavut Water Board would like to extend a special invitation for you to attend this meeting. As a Councillor, you may be able to provide the NWB with key information on issues of concerns related to the water use and waste disposal facilities in Baker Lake. The purpose of this meeting is:

- To inform the public on the role of the Nunavut Water Board as an institution of public government, responsible over the regulation, use and management of water in the Nunavut Settlement Area;
- To present to the community work recently completed on the Wetlands project;
- To inform the public on the use of wetlands as an alternative option for sewage treatment; and
- To obtain feedback from the community on the wetlands in Baker Lake.
- To update the community of recent and future activities of the Nunavut Water Board;
- To obtain feedback from the residents of Baker Lake on concerns they may have in regards to there water supply, and waste disposal facilities;

The presentations will be in English and Inuktitut, and a translator will be on hand to provide assistance. Refreshments, coffee, tea, and cookies will be served.

Sincerely,

Thomas Kudloo
Nunavut Water Board, Chairman
