William Noah  
Mayor  
Municipality of Baker Lake  
Baker Lake, NT XOC 0A0

Dear Mr. Noah,

The Nunavut Water Board would like to extend its appreciation for the assistance provided by the Municipality for the community meeting and site visit of August 21-22, 1997. The NWB would like to extend a special thank you to Mr. Hugh Ikoe for his time and assistance.

As follow-up, the NWB is currently reviewing two documents submitted to the Board: the Operation and Maintenance manual and the Baker Lake Water Quality report. The Board would like to apologize for the delay in responding to these submissions. The documents will be reviewed and you will be contacted should additional information be required. In addition, the NWB will be providing recommendations to Mr. Hugh Ikoe on the future remediation of the waste oil pit and honey bag pit.

Sincerely,
