Leonard:

Attached is a copy of Baker Lake Municipal Water Licence. Sampling requirements are outlined in the “Surveillance Network Program” monitoring section. The main contact for Municipal water licencing for the Nunavut Water Board is Jim Wall, Technical Advisor. He will contact you with the necessary information to help you get your sampling program started for this season. If you have any questions or require further assistance do not hesitate to contact him at your convenience. Jim is in the process of relocating to Cambridge Bay his permanent phone has not been hooked up yet but you should eventually be able to contact him at Tel: 867-983-2214 Fax: 867-983-2216 email: nwbtech@polarnet.ca. I have forwarded your request for information and assistance to Jim and he should be contacting shortly.

Regards,

Dionne
