Subject: Hamlet of Baker Lake – Sewage & Solid Waste Disposal O&M Manual

Dear Sir/Madame:

The Nunavut Water Board (“NWB”) acknowledges receipt of your Sewage & Solid Waste Disposal Operation & Maintenance Manual on November 16 2005.

Upon review the NWB noticed from the numerical sequence of the manual, pages are missing. The page numbering goes 3-6 section 3.5.4 Drainage to page 4-2 section 4.3 Equipment List.

The Nunavut Water Board requests a complete submission of the Operation & Maintenance Manual to be e-mailed or faxed (867) 360-6369 to the office as soon as possible.

Sincerely,

Original Signed By:

Richard Dwyer
