**Subject:** Licence Amendment Requirements

Hi Arlen:

As a follow-up to our conversation today, the following submissions should accompany your amendment package:

1. A cover letter requesting that the water licence be amended;
2. A signed amendment application;
3. A summary, in both Inuktitut and English, of the amendment;
4. NWB questionnaire;
5. NPC conformity Review or written confirmation from NPC stating that conformity is not required;
6. NIRB Screening Decision or written confirmation from NIRB stating that screening is not required;
7. New/Revised Operation and Maintenance Plan;
8. New/Revised Spill contingency Plan; and
9. Issued-for-construction drawings signed and stamped for an engineer registered to practice in Nunavut;

If you have any question, please do not hesitate to contact me.

Regards
