

## Nunavut Water Board

### Memo

**To:** Philippe di Pizzo

**From:** Rita Becker

**Date:** 27/08/99

**Re:** Hamlet of Baker Lake – N6L3-1191 (NWB3BAK)

---

Enclosed you will find an application for renewal of Water Licence N6L3-1191 from the Hamlet of Baker Lake dated June 1, 1999 to obtain water for municipal purposes, which includes water supply, solid waste disposal, and sewage discharge.

This application is exempt from NIRB Screening due to its status as a municipality.

Comments were received from the following:

July 5, 1999	Tongola Sandy, Kivalliq IA
July 28, 1999	Margaret Keast, DFO – Iqaluit
July 30, 1999	Alain Chouinard, SD – Kivalliq Region
August 6, 1999	Anne Wilson – DOE – Water Pollution Specialist
August 9, 1999	Shannon Pagotto, DIAND – Water Resources Division
August 16, 1999	Earle Baddaloo – SD – Headquarters

The project is now ready for the Board's decision and or approval
