Dear Mr. Jivkoe,

As a result of the letter that I had sent to the Hamlet of Baker Lake, Leo Caoutte called to inform me that the project was being handled by the GNWT - DOT and that you were the contact person.

Please be advised that the GNWT - DOT will have to apply to the Nunavut Water Board to obtain the necessary licence to cross this river.

Attached is an application form which must be completed and submitted to the Board.

If you have any questions, I will be pleased to assist. I would also recommend you can contact the Board at (867)-360-6338.

Sincerely,

Paul Smith
Water Resources Officer
