Dear Mr. Zettler:

RE: ANNUAL REPORT SUBMISSION REQUIREMENTS
WATER REGISTER NO.: N6L4-1191

Please be reminded, as in previous years, of the requirement to submit an Annual Report as required under Part B Item 1 of the Hamlet of Baker Lake's Water Licence, Water Register No.: N6L3-1191. Per a letter sent to you last year, this report is to be submitted to the NWT Water Board not later than March 31st following the year being reported. This letter is intended to act as a reminder of that requirement and to provide you with an opportunity to request any assistance that may be needed. As well, it would be appreciated if you could provide a copy of the completed report to the Nunavut District Office located in Iqaluit (address noted above).

To facilitate the completion of the report, I have enclosed for your use, a blank form that can be used as a "template" for the Annual Report. Please feel free to use additional pages if more space is required to provide the necessary information.

If you have any questions after reviewing the general format of the report, please feel free to contact the undersigned at any time at (819) 979-4405.

Sincerely,
