RE: Draft Operation and Maintenance Plan

Dear Mr. Caouette:

The NWB has reviewed the draft "Sewage and Solid Waste Disposal Operations and Maintenance Manual" dated November 1998 prepared by Dillon Consulting Limited (98-5538-01). The NWB has enclosed comments for your consideration in preparing your final report for approval by the NWB.

If you have any questions or require clarification please do not hesitate to contact Patricia Renaud or myself at 867-360-6338 or by fax 867-360-6369.

Sincerely,

Dionne Filiatrault
Technical Advisor
