**5 January 2006**

Hi Joe,

Please find attached copies of the proposed subdivision of 55 lots in **Cambridge Bay** for your info and/or future reference. It is intended that this will be surveyed summer 2006 if possible.

Should you have any additional concerns or comments please don't hesitate to let me know so that I can re-draft and/or consult with the Hamlet Council as required. More input is always better than less(!)

regards
