Good afternoon Derrick. The attachment you sent does not contain the actual application form which will be required. I have attached the application and supplemental questionnaire that is necessary. You indicate that additional information is being sent under separate cover. Could you please provide all documents electronically as well. Thank you.

Hello Phyllis,

Please find the attached document for our water license, I will be mailing you a hard copy as well. Let me know if there is anything else needed for this application to be completed.

Thanks
