Subject: Receipt of Renewal Application for Cambridge Bay

Dear Mr. Johnston:

The Nunavut Water Board acknowledges receipt on February 20, 2001 of the following:

- application form
- supplementary questionnaire
- exhibits and maps

At this point, we are missing the following items from your application package, as mentioned in the January 22, 2001 fax:

- application fee of \$30 payable to the Receiver General of Canada
- executive summary of the application in both English and Inuktitut. This should just be a simple summary of the various aspects mentioned in the application, such as location, type of application, water supply, sewage disposal, and solid waste disposal.

Please forward these items to our office at your earliest convenience in order that the approval process be not delayed.

Upon request from the public, we ask you to make available, free of charge, copies of all documents pertaining to this application.

You will be contacted should additional information or clarification be required.

Sincerely,
