Hi Andrew,

We look forward to your visit. I am going on holidays but may be back by July 6. I would be more than willing to meet with you and discuss licensing issues and requirements.

I have copied ASAO Derrick Anderson and Municipal Services Manager Wayne Weese. I believe Derrick will be out of town but Wayne will escort you during your visit and handle any specific inquiries you may have regarding related infrastructure. I should be able to speak to issues regarding long term planning issues and future of the dump and sewage lagoon project.

Regards,
Steve King

Mr. King,

Please find attached a letter outlining the planned dates for the Municipal water license Inspections for Cambridge Bay. Currently I am scheduled to arrive in Cam bay on the 6th of July at 12:30 via Canadian North. If we can arrange a pick up at the airport and a short meeting to review the licensing requirements and the Inspection that would be great.

I look forward to hearing back from you at your earliest convenience.

Sincerely,

Andrew Keim
