**Subject: Licence No. 3BM-CAM0914 – Submission of 2011 – 2014 Annual Reports
for the Hamlet of Cambridge Bay Municipal Water Licence**

Dear Mr. King and Mr. Alam:

The Nunavut Water Board (NWB or Board) has completed its review of the 2011 – 2014 Annual Reports (Reports), received under separate submissions from the Hamlet of Cambridge Bay (the Hamlet) in support of the relevant requirements included in the water licence issued to the Hamlet.

The review determined that the 2013 and 2014 Reports are generally complete and consistent with the reporting requirements under Part B, Item 1 of Licence No. 3BM-CAM1520 or relevant iteration(s) of the Licence. In contrast, the 2011 and 2012 Reports were found to be partially complete as the 2011 Report did not address any of the sampling requirements under the Licence terms and conditions while the 2012 Report did not include any sampling/analytical results for Monitoring Station CAM-4.

Copies of the Reports, which were previously distributed publicly for information shortly following receipt, as well as all non-confidential information received for the file can be accessed through the NWB's public registry and File Transfer Protocol (FTP) site using the following link:

[ftp://ftp.nwb-oen.ca/1%20PRUC%20PUBLIC%20REGISTRY/3%20MUNICIPAL/3B/3BM%20%20Municipality/3BM-CAM1520/3%20TECH/1%20GENERAL%20\(B\)/2%20ANNUAL%20RPT/](ftp://ftp.nwb-oen.ca/1%20PRUC%20PUBLIC%20REGISTRY/3%20MUNICIPAL/3B/3BM%20%20Municipality/3BM-CAM1520/3%20TECH/1%20GENERAL%20(B)/2%20ANNUAL%20RPT/)

Apart from the above, the Licensee should note that the 2010 Annual Report for the Hamlet's Water Licence appears to be outstanding; therefore, efforts should be made to submit this report if the Licensee has not done so already.

If you have any questions related to the above, please contact the NWB's Licensing Department at (867) 360-6368 or by email to licensing@nwb-oen.ca.

Regards,

(for) Sean Joseph
Technical Advisor
