Subject: FW: Cambridge Bay Water Licence 090430 3BM-CAM0914 Renewal Water Licence-OTAE

Hi Richard,

Could you please give me the FTP link from which I can access the application documents for Type B water Licence of Cambridge Bay filed in 2009. I logged on NWB FTP site, but I dint find the folder related to **090430 3BM-CAM0914 Renewal Water Licence-OTAE**.

As I am reviewing certain information which mentioned by Ryan in his email to you.

Thanks,

Li Wan
