MUNICIPAL LICENCES
CAPE DORSET / CLYDE RIVER / POND INLET

Thank you for the correspondence related to the unlicensed municipalities.

These MACA Capital Plan schedules will be brought to the Water Board's attention in the near future. When the municipalities will be licensed cannot be predicted at this time, however, the Water Board has an informal arrangement with MACA whereby pre-design and design plans for facilities not yet licensed are submitted to the Board for general review and comment.

I would suggest that you advise and encourage MACA to follow that route until such time the Board can licence the municipalities.
