Re: Status of Pond Inlet and Cape Dorset Water Licence Applications

Transmittal Note:

Hi Brian,

1. Could you please update me on the status of the Pond Inlet and Cape Dorset water licence applications.
2. I will be conducting inspections at both of these communities in the next couple months and would like to be able to discuss the progression of the licensing process.
3. I am somewhat concerned that so little progress has been made since their applications were made (several months ago now).
