STATUS OF MUNICIPAL LICENCE APPLICATIONS - POND INLET & CAPE DORSET

This is in reply to your memo of December 27, 1995 regarding the subject matter.

Pond Inlet

I have not been able to locate the drawings you referenced in your memo. Please forward copies of the most recent versions which accurately reflect the current facilities serving the community.

Cape Dorset

I made an error in my memo of December 21, 1995. It should have stated that we have drawings for the truckfill facility. We do not have drawings for the waste disposal facilities. My apologies for the confusion.

The design brief that you referred to contains options for water supply facilities. It does not include drawings of the facilities which are currently in operation.
