Sub: 3BM-CAP0810 Amendment Renewal Application

In response to your e-mail dated August 17, I am submitting the following documents in order to expedite the renewal process of the Water Licence of the Hamlet of Cape Dorset.

1. Responses to the questions raised by CIRNAC dated August 16, 2018.
2. Responses to the questions raised by ECCC dated August 16, 2018
3. The Revised O&M manual of Solid waste Management
4. The Revised O&M Manual of the existing Sewage Lagoons
5. The Revised QA/QC Plan for the existing Sewage Lagoons
6. The QA/QC plan prepared by exp Services Inc. for all the wastes facilities.

The O&M manual of the water Truck fill station was submitted long time ago and is already in the ftp site of the NWB.

I would like to notify that the 2007 built P –Lake Sewage lagoon site falls within the Transport Canada's new 4km zoning. This facility hasn't been commissioned and was never used as a sewage treatment facility. Hamlet of Cape Dorset has no future plan to use this facility. This facility will not be part of the new water licence.

The Plan for the Abandonment and Restoration (A&R) of the existing lagoons will be
