Good afternoon. We just received the cheque in the mail today and were wondering what file it was to be applied to. I will have to return to cheque as it's made out to Nunavut Water Board rather than Receiver General for Canada. You can also pay the fee by Visa if that will make the transaction easier. Just provide the Visa information to me and I will forward the info to Indian Affairs in Iqaluit. They, in turn, will issue a receipt for the payment. The Visa information will be kept confidential in our office.

Regards,

Good Morning Ms Beaulieu,

On September 6/05, we mailed you a cheque for \$30.00 in order to take care of the fee mentioned in this email thread. I was wondering if you would be able to fax or email me some sort of invoice that I can send to our head office as back up for this cheque?

Also, Heather went on holidays just after this request was made, and I did not receive this email until this morning. I was unaware that the cheque was asked to be made out to the "Receiver General for Canada", and therefore I had the cheque made payable to the "Nunavut Water Board". Is this something that must be remedied, or will it be alright?

Thanks very much,

Colette Scobie
