**Re: Notification of Decanting of Sewage Lagoon in Cape Dorset Letters**

Dear Art,

We have received three copies of the notification of decanting of the sewage lagoon in Cape Dorset. I have sent you back to the two extra copies that may have been intended for the people on your cc: list.

Please notify the Nunavut Water Board office, at extension 21, if these documents were indeed intended for our records or were sent to us by mistake.

Thank you,

Doreen Porter  
Administrative Clerk  
Nunavut Water Board
