File No.: 3BM-CAP0207

To: Cape Dorset Distribution List

Sent via email

Subject: Final Submissions for the Hamlet of Cape Dorset Type B Water License
Amendment application

Further to our letter of October 10, 2007, the Nunavut Water Board hereby acknowledges receipt of final submissions for the above amendment application. These submissions have been placed in the Public Registry and are on the NWBs ftp site at the following address:

<http://nunavutwaterboard.org/ftp/> 3BM-MUNICIPAL / 3BM-CAP / Final Submissions

All parties are notified that they have until 3:00 pm Mountain Time on January 8, 2008 to submit final intervention statements. Executive summary translations are also required at that time.

Regards,
