Dear Mr. Gilhuly;

Re: Plans/Drawings for Waste Disposal Site

Ref: Letter to you from Dan Elliott (DIAND) dated July 4, 1995.

1. Further to the above noted letter, this office requests that a copy of the plans/drawings that are being used for the new waste disposal site (solid and sewage wastes) be provided to this office.
2. As had been indicated in the July 4, 1995 letter, we wish to have a copy on file as well as to be able to provide a copy to the NWT Water Board as your application for a water licence is still being considered.
3. If you have any questions, please do not hesitate to contact this office.

Sincerely,
