Re: Approval from Cape Dorset Hamlet Council

At meeting #16/06-07, the Hamlet Council passed resolution #181/06-07 to approve the design changes to the new sewage lagoon (following the geo-thermal analysis) as presented by Bhabesh Roy and Jonathan Palluq from the Department of Community Government and Services. Bhabesh was also appointed to be the spokesman for all matters relating to the Hamlet's Water license.

A copy of the resolution is attached to this letter.

Sincerely,

Art Stewart,
Senior Administrative Officer

Cc: Bhabesh Roy
Jonathan Palluq
